For purpose of supporting China's university education and develop material science and technology in China, Elotex company set up the Elotex Scholarship in Tongji University in 2005 and in Wuhan University of Technology in 2007 to help the students complete their study and encourage the top students to do more scientific researches with higher quality.

Elotex Scholarship awards ceremony was successively held on Jun 8 at Tongji University and Jun 11 at WHUT. Elotex Asia technique manager Doctor Wang, Elotex China marketing manager Rick Li, Elotex China HR manager Jill Yu, Elotex China technician Royan Xu and Elotex China marketing specialist Frank Wang attended the awards ceremony.

Head of the two universities extended thanks to Elotex Company. Meantime, Rick Li express his congratulations to the students who win the scholarship this year and he make it important that both students and the company should spare no effort to commit their social responsibility.

During the ceremony, Doctor Wang and Royan Xu gave speech regarding to 'Micro Structure & Application Performance of Polymer Modified Mortar' to students.

Jill Yu presented Elotex company culture, career development in AkzoNobel corporation and summer internship program in 2010.

Wang Zhengqi and Feng Shaobin, two of the scholarship winners, delivered their acceptance speech at the end of ceremony.
